ABOUT WEBINAR

"The 21st century is indeed the era of knowledge, and it is through knowledge that the meaning of life is constructed. For centuries since ancient times, India has been inspiring the entire world with its knowledge tradition and rich cultural heritage, earning the reputation of being and on the basis of that rich Knowledge systems and Skills, India was known as '**Sone ki Chidiya**' and '**Vishwa Guru**'. Building upon this legacy, today once again we aim to refine and enhance that existing rich knowledge system by embracing innovation and advancement. Through which we can make our education system to more employment-oriented. With this objective keeping in mind, we are organizing a one Day National Webinar to make Education more employment-oriented, empowering individuals to harness the power of Indian knowledge system and innovation to shape their future."
