The institution has a robust mechanism for the execution of both internal and external financial audits.

Internal audit: Internal audit is carried out by the internal audit Committee of the Institute. The committee comprises senior faculty members and verifies the income and expenditure details and submits the report to the Principal.

External audit: An external audit is conducted once every year after the completion of the financial year by the Chartered accountant appointed by the Principal. External audits are conducted separately for Janabhagidari Nidhi, Local Funds, Govt. funds and other grants like RUSA & World Bank.

The external audit is also done by the Accountant General of M.P. once in 3 years or latest once in 5 years. The audit team examines the expenses from different funds. AGMP raises financial explanations as per the process, these financial explanations are answered if any, within the stipulated time. Copies of audited results are sent to the DHE, Bhopal (M.P.).

The departments, where the procurement of items and equipments are done, maintain their stock registers which are duly verified by the incharge of the respective department and the principal.

In this session 2022-2023, audit process is going on so we will put this in SSR report.
