## Concept Note of the Webinar:

Viksit Bharat 2047 reflects India's ambitious vision to become a developed nation by 2047, the 100<sup>th</sup> year of its Independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability and good governance. Recognizing India's current position, the vision emphasizes the vital role of unwavering dedication, national belief and harnessing the immense talent and potential of its people, especially the youth.

This seminar explores India's vision of a developed nation by 2047, emphasizing the transformative power of youth, education and innovation. It highlights the vital role of young minds in driving sustainable growth, technological advancement and social progress. The discussion will focus on fostering quality education, economic transformation, social inclusion, Zero poverty, skilled labour, women empowerment, affordable and comprehensive healthcare for all, infrastructure growth, digital empowerment and promoting innovative solutions to national challenges. By empowering youth with skills and knowledge, India can achieve its vision of a prosperous, inclusive and resilient Viksit Bharat by 2047, aligning with the nation's goal of becoming a global leader.

### Suggested Sub-themes:

1. Transforming India: The role of youth, education and innovations for Viksit Bharat Vision 2047.
